**DETAILED ACTION**

***Priority***

Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

***Information Disclosure Statement***

The information disclosure statement (IDS) submitted on 4/09, 2/09, 9/07, 1/07 and 4/06 have been considered by the examiner.

***Additional Prior Art Cited***

Harmon discloses a photometric apparatus comprising a beam shutter having at least an inclined reflective surface (76, Fig. 5).

***Drawings***

The drawings filed 3/14/07 are acceptable.

***Examiner's Amendment***

An examiner's amendment to the record appears below to provide a proper antecedent basis for "said axis line" recited in claim 8. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In claim 8, line 3, "the axis line" has been changed to --an axis line--.

***Allowable Subject Matter***

Claims 8-10 allowed.

The following is an examiner's statement of reasons for allowance: None of the cited prior art, alone or in combination, teaches or suggests a shutter unit comprising a structure and arrangement as defined in claim 8; particularly, "said drive motor is disposed outside a housing accommodating said rotating member and said optical absorption member, said optical absorption member is disposed on inside wall of said housing in the opposite side of said drive motor across said optical axis, said laser beam entering said housing enters said optical absorption member when said reflective surface closes the optical path of said laser beam by the drive of said drive motor, and passes said opening when said reflective surface opens the optical path of said laser beam by the drive of said drive motor." (claim 8, last eight lines) in combination with the remaining features recited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
